PERSUASIVE ESSAY

Tips for Organizing and Planning

- State your goal or position clearly at the beginning of the essay.

- Build your argument like you would a house:
 - Lay out your main supporting argument first.
 - Add facts, examples, and opinions to your argument.

- Use both facts and opinions to present your argument.
- Make sure your reader can tell facts and opinions apart.

I know...
The evidence shows...
The law states...

I think...
I believe...
I feel...
